Thank you, Fresh IDEA Cardholders!

In these days when so many education dollars are disappearing, it is refreshing to see corporations helping schools pick up the slack. For the past 18 months, Marsh Supermarkets' "Computers for Communities" program has provided many schools with the opportunity to earn points toward obtaining computer hardware for their programs in a program that was at no cost to consumers.

"Computers for Communities" ended May 1. We will soon be getting our final point total for the program so that we can choose which products we would like to have.

We in the Learning Resource Center would like to thank those 210 cardholders who remembered to register ISD as the recipient of their points.

Hop on the bus!

The 1997 summer fun Bus Pass, sponsored by IndyGo, the City of Indianapolis, and the Marion County Commission of Youth, Inc. (MCCOY), will be "bus-n-loose" again this year.

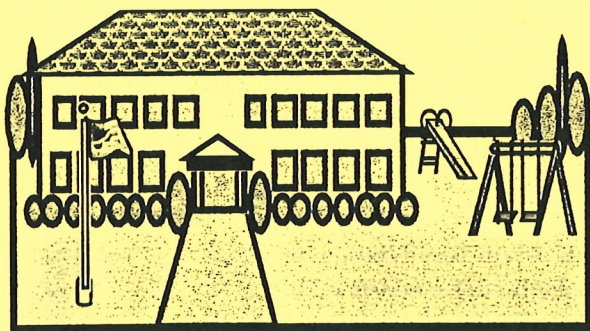

For the third straight summer, bus passes, good from June 1 - August 31 for youth 18 and under, will be available for purchase at area middle and high schools, MCCOY, and IndyGo Transit Stores.

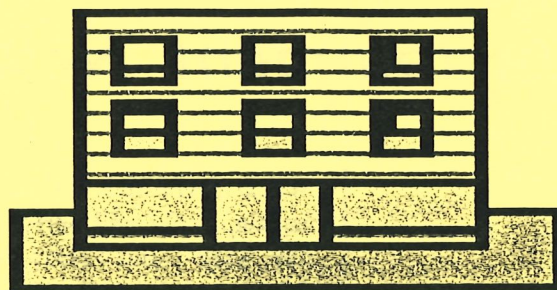

"The \$10 price for the passes is a significant reduction over the normal fee for a pass for three months," said Amy Gilkison, Public Information Director for IndyGo. "Plus, there are value-added discounts to the passes from a variety of merchants who honor the pass," continued Gilkison. Some of the participating merchants are GreaTimes, USA Skate, Pizza Hut, and others.

The bus pass enables young people to participate in summer activities, to go to summer school, travel to their summer job, or just get to the mall. Last year over 4,000 bus passes were sold. This included 500 scholarship bus passes that were sponsored by MCCOY.

The passes will be on sale starting May 15. For more information on the Summer Bus Pass, please call MCCOY at 921-1286.
